Please check the date that you desire to participate in our market. If you choose to have your business in a showcase you will need to mark that month as well. When you include a showcase date please make sure to email a short bio about you and your artwork and a picture of yourself that I will add at the beginning of the month you will participate.

If the National Weather Service issues an alert for the area or we feel that the day will be a total rain out then we will contact you so you can make a decision as to which month you would like to move your booth fee to.

Please make check payable to Coastal Arts Market. Amount Enclosed _____
